Remedy

Pursuant to this limited warranty, within the warranty period TransAxle, in its sole discretion, will:

- Replace the unit or any defective parts with a functional equivalent; or
- Make a payment to the original purchaser of the unit in an amount equal to the cost of repair based on TransAxle's estimate and in its sole judgment.
- The 1st year of the warranty period covers parts replacement and labor. The 2nd or any following year of the warranty period covers parts replacement only, not labor.

Limitations and Exclusions

- This limited warranty is applicable solely to the original purchaser and is not transferable.
- This limited warranty is expressly conditioned upon the covered unit or units having been properly installed on vehicles approved by the O.E.M. for such purpose and being used for on-highway or off-highway vehicles in the United States.
- Units installed as replacements under this warranty are warranted only for the remainder of the original warranty period.
- This warranty is not applicable to units for which the original invoice remains outstanding.
- The original TransAxle ID tag must not be removed from the unit being claimed for warranty.
- This warranty does not extend to repairs for noise (including idle rattle).
- This warranty only covers the cost of the exact make, model and specifications of the unit that is being claimed for
